THE CITY OF MORGANTOWN

Home Rule Plan Amendment

Introduction

The City of Morgantown ("Morgantown") has been approved to participate in West Virginia's Municipal Home Rule Pilot Program, Phase II ("Home Rule Program") and its initial written plan has been approved by the Municipal Home Rule Board (the "Board"). Pursuant to W. Va. Code § 8-1-5a(k), “[a] municipality selected to participate in the Municipal Home Rule Pilot Program may amend its written plan at any time.” A first amendment to the City’s written plan was approved by the Board on September 14, 2015. A second amendment to the City’s written plan was approved by the Board on October 3, 2016. A third amendment to the City’s written plan was approved by the Board on October 2, 2017, granting authority for Fire Marshals’ arson and explosives offenses arrest authority, limiting expansion of nonconforming agricultural, industrial, and manufacturing uses; waiver of the certified mail requirement for zoning changes that alter density; disposition of real estate without auction; expenditure of money on schools by agreement with the governing agency; and elimination of the property ownership requirement for park board membership. A fourth amendment to the City’s written plan authorized use of the Board of Zoning Appeals to administer the subdivision and land ordinance. Morgantown has successfully implemented initiatives in its current plan and seeks the amendments below to promote additional community benefits through the Home Rule Program.

The City proposes amendment of its written plan to include the following:

1. Audit reporting date for the Land Reuse Agency. Morgantown seeks to coordinate the audit procurement and reporting dates for the City and its Land Reuse Agency. West Virginia Code Chapter 31, Article 18E, Section 18 requires land reuse agencies to submit an audit report within 120 days of the close of the fiscal year. West Virginia Code Chapter 8, Article 18, Section 18 provides that audits and accounts of the City are governed by West Virginia Code Chapter 6, Article 9. Under Chapter 6, Article 9, the State Auditor requires that municipalities present reports of annual audits within nine months of the close of the fiscal year. Morgantown seeks authority under the Home Rule Program to submit audit reports for its Land Reuse Agency within nine months of the close of the fiscal year so that it may obtain a combined audit that includes the Agency. The initiative will promote efficiency and reduce expenditure of public funds.
The applicable laws and reasons for amendment are set out below.

**Proposed Initiatives**

1. **Campaign Finance reporting.**

   a. **Applicable laws:** *W Va. Code* sections 8-13-18 (municipal audits governed by state); 6-9-1 *et seq.* (uniform system of accounts and examinations for government entities); 31-18E-18 (audit reporting for land reuse agencies). The full text of *W. Va. Code* 31-18E-18 is copied here:

   (a) The land reuse agency shall annually, within one hundred twenty days after the end of the fiscal year, submit an audit of income and expenditures, together with a report of its activities for the preceding year, to the West Virginia Housing Development Fund.

   (b) A duplicate of the audit and the report shall be filed with the governing body of:

      (1) The land reuse jurisdiction which created the land reuse agency; and
      (2) Each political subdivision which opted to participate in the land reuse agency pursuant to an intergovernmental agreement.

   *Id.*

   b. **Limitations presented by law:** State law requires municipal land reuse agencies to report audits within 120 days of the close of the fiscal year, while municipalities and their other component parts report audits within nine months of the close of the fiscal year (usually March 24th). Under the different timelines for examination and reporting, Morgantown would need to procure a separate audit for its land reuse agency. If the auditing timelines are coordinated, Morgantown can include its land reuse agency within the city’s audit.

   c. **Home Rule solution:** Morgantown will amend its land reuse agency ordinance to require audit reporting within nine months of the close of the fiscal year, consistent with the State Auditor’s office Audit Procurement Manual guidance, pursuant to authority granted under the Home Rule Program. When the auditing timelines for the land reuse agency and the city are coordinated, Morgantown can include its land reuse agency within the city’s audit. Including the land reuse agency in the city’s audit will result in recurring annual savings and promote efficient use of staff time.
AN ORDINANCE DESIGNATING SECOND STREET BETWEEN UNIVERSITY AVENUE AND GRANT AVENUE FOR ONE-WAY VEHICULAR TRAFFIC

The City of Morgantown hereby ordains that City Code Section 305.02 is amended as follows:
